## Ensino Biologia Histórias Práticas Diferentes

**a prática pedagógica no ensino em biologia** - possível dizer que há limites que interferem num ensino de qualidade, tanto de biologia, como das demais disciplinas do ensino médio, entretanto, defendemos a ideia de que se houver inovação e melhores condições de trabalho, a disciplina de biologia e as demais, tendem a ter uma receptividade melhor e, conseqüentemente, melhor aproveitamento **plano de ensino - home page univesp** - disciplina: práticas para o ensino de biologia i curso: licenciatura em biologia carga horária: 40 horas código da disciplina: sep111 ementa experimentos voltados para o ensino de zoologia e botânica na educação básica, em especial no ensino médio, com ênfase em práticas de simples execução para realização em escolas sem estrutura ... **estratégias tecnológicas na prática pedagógica** - com a utilização de tecnologias digitais no ensino/aprendizagem surgiram novas possibilidades, democratizando o acesso aos diferentes níveis e modalidades de ensino. com as novas tecnologias, como internet e ambientes virtuais de aprendizagem, ampliou-se o diálogo entre todos os envolvidos no processo, dentro deste novo paradigma.
